GISBORNE

Pinot Gris 2020

Winemaker's Comment

This Lighter style Pinot Gris displays attractive aromas of apple, quince and spring blossom florals. The palate has flavours of pear with a hint of exotic spice and finishes off dry.

Serving Suggestions

This Pinot Gris is the perfect pairing with fresh spring rolls or crispy noodle salad.

Vineyard & Winemaking

A selected parcel of Pinot Gris was chosen that expressed vibrant flavours and balanced acidity early in the ripening process. Cool slow fermentation with neutral yeasts enhances the fruit flavours. Serve chilled.
