## *Single Vineyard The Attorney*

MARLBOROUGH PINOT NOIR ROSÉ 2019

---

### WINEMAKERS COMMENT

A key focus of Villa Maria is to be environmentally responsible and to operate using sustainable practices in order to protect the land for future generations. Villa Maria began its organic program in 1999 and we achieved our first Biogro certification in 2007.

The Attorney Vineyard was converted and fully Biogro certified as organic in 2012. This Pinot Noir Rosé has aromas of bright red cherries intermingled with delicate rose petals and fresh culinary herbs. The palate is bursting with ripe raspberries and juicy watermelon with a creamy texture on the finish.

### TECHNICAL DETAILS

REGION:	100% Marlborough

### VINEYARD & WINEMAKING

---

#### VINEYARD DATA

VINEYARDS: Finlayson block, Wairau valley, Marlborough

CLONAL SELECTION: Pinot Noir clone = "Jack"

#### SOILS & VITICULTURE

The Attorney Vineyard is situated in the Southern Valleys sub-region of Marlborough, on a northern facing block on the dry foothills of the Wairau Valley. This sub-region receives minimal rainfall in the growing season and its deep clay soils provide perfect conditions to apply organic farming principles.

#### VINTAGE

Fruit set in the cool spring weather was lower than usual, resulting in the development of open bunches with small flavourful berries. From January onwards, Marlborough experienced a summer of the century, with a spell of long hot dry weather with moderately cool nights providing the perfect environment to ensure physiological and flavour ripeness whilst retaining freshness.

#### WINEMAKING DATA

HARVEST: 100% Hand picked & whole bunch pressed

FERMENTATION: 100% stainless steel with specially selected textural yeast strains

MATURATION: Carefully monitored time on yeast lees to build creamy texture and palate weight

BOTTLED: 18 October 2019
